May 2021

I am very excited to pass the "You Floored Me" award on to Clancy Carufel.

I have had the opportunity to assist in Clancy's classroom. She educates a diverse group of learners daily. Clancy manages her classroom, the PAES Lab, with complete confidence. She has a calming demeanor which creates a welcoming classroom environment. Her positive attitude along with her ability to communicate with her co-workers inspires others to create the same culture within the workplace.

Stopping in to say hello to Clancy brightens my day- knowing she is not only a coworker, but someone I consider a friend.

Congratulations, Clancy! You deserve this award!

Sincerely,

A handwritten signature in black ink that reads 'Betty Jo Hartman'.
